

TWHA Game Jersey Replacement Agreement

By proceeding with the registration of the child(ren) to participate in the TWHA Hockey Program, I hereby acknowledge and agree that:

I understand my registered child(ren) will receive one, or two (depending upon age division registered in), Trails West Hockey Association game jersey(s) for use during the 2022-2023 hockey season. I will ensure the game jersey(s) is kept in acceptable, wearable condition throughout the season. I accept it is my responsibility to clean the game jersey(s), removing any stains and puck marks and repair any rips, tears or other damage to the jersey(s) before it is returned to TWHA at the end of the 2022-2023 hockey season.

Should the TWHA Equipment Manager determine my registered child(ren)'s game jersey(s) is damaged beyond normal wear and tear, or is returned not cleaned, I acknowledge I will receive an invoice from TWHA for the cost of jersey replacement for each jersey requiring replacement or cleaning, the cost of which is \$125.00 per jersey. I further agree that I will make payment of said invoice no later than May 15, 2023. I understand non-payment will be considered a violation of my membership with TWHA and full payment will be required to be in good standing and before my child(ren) is permitted to register for any future Trails West Hockey Association or Hockey Canada governed program."

By entering my name and clicking the box "I Agree", "I Accept", "Sign Waiver"; I agree to the terms and conditions set forth herein and I certify that I am the parent or legal guardian of the registered child(ren).
