Trails West Hockey Association (TWH) is a not for profit Minor Hockey Association operating in the South West quadrant of Calgary. The association is comprised of the communities of Aspen Woods, Christie Park, Coach Hill, Patterson Heights, Rosscarrock, Signal Hill, Springbank Hill, Discovery Ridge, Strathcona Park, Westgate and Wildwood and represents approximately 1,050 hockey players between the ages of 5 to 20.

The TWH individual hockey teams typically arrange for bank accounts in order to manage team funds for the year. The money raised by each team is used for extra ice times, tournaments, tournament travel, team apparel and team social events.

Trails West Hockey Association will have no claim to the assets in the account, will not provide any guarantee over the account and will not assume responsibility for any obligation associated with the bank accounts.

Please help support our communities, players and teams through the administration of special bank accounts appropriate for this type of activity.

Please contact me if you have any questions.

Sincerely,  
TRAILS WEST HOCKEY ASSOCIATION
