14. When you click confirm payment, the system will process the payment. If it returns you to the checkout page, it may be because pop-ups are blocked so payment can't be processed. Please try allowing pop-ups on your browser settings or complete the registration in a different browser.

- Note: you will not have to re-do the entire form if you choose to complete registration later or in a different browser/computer. Log into the desktop version of TeamSnap and you will see "My Registrations" with the option to "Pay Now". This is also where you can manage your instalment payments (if want to pay before the next scheduled date) as well as update your Credit Card information.
- If you require an official receipt, (you will only receive a confirmation of payment from TeamSnap after the above step) you will need to log in on the **desktop version of TeamSnap** and under "My Registrations" you will see an option to "View Receipt". This will bring you to the full registration receipt which indicates the name of registrant, who the fees were collected by (TWH), all fees per participant, payment totals and payment summary. The payment summary indicates the date and amount of payment(s). Note that *receipts will only be available for one year after the registration has been completed.*

15. You are done! You should have received an email confirming payment and notice from TeamSnap that you have successfully registered your child(ren) [participant(s)] with the TWH Community Program for the 2023-2024 season. You should see "What's Next?" displayed on the registration form.

If you have any questions or concerns with the registration process, please be sure to review the [Registration page](#) on the Trails West Hockey Association website. If you still have questions, please do not hesitate to contact me.
